

2018 Celebration of Excellence in Environmental Education

Support and Publicity Opportunities

We invite you to join us as a sponsor to recognize outstanding leaders of environmental education in Wisconsin schools and communities. Statewide awards will be presented by the Wisconsin Association for Environmental Education, Department of Public Instruction, Wisconsin's K-12 Energy Education Program (KEEP) and Wisconsin's K-12 Forestry Education Program (LEAF). Be a part of this inspiring event and help us celebrate all the people and programs that make Wisconsin a leader in environmental education. The program will include a social, a catered lunch, a silent auction, and a recognition ceremony—all in the beautiful Lussier Heritage Center in Madison, Wisconsin. Event proceeds will support future environmental awards and education programs.
